MIAMI WIIPICA, LLC

EXCELL CONSTRUCTION Corp.

A Tribally Owned 8(a) Small Disadvantaged Business

Design/Build, Construction, Building Renovation, Drywall, Painting, Finish Carpentry

Wiipica has partnered with Excell Construction Corporation to provide design/build, construction, renovation, and finishing services to our Federal customers.

Excell Construction Corp., established in 2015, is a Rhode Island-based MBE general contractor, providing reliable and quality general construction services. As a result of working with major corporations, Excell Construction Corp. has gained an in depth knowledge and breadth of experience of construction management for federal, state and local procurements.

Since its inception, Excell Construction Corp. has successfully completed over 150 projects in our five year history and every job was performed on time and within budget.

Excell Construction Corp. is capable of self-performing carpentry, painting, drywall, dust/noise protection, demolition, and project supervision.
