business and you are finished.

What if I still can't find my code?

Contact the Census Bureau! They are the official US Government Authority who manages the NAICS Coding System. Go to www.Census.gov and at the top highlight "Business" and click on "NAICS". They have a section called "Ask Dr. NAICS" at that location. You can Call or E-mail them with your questions. *Please don't Call or E-mail NAICS Association requesting help with a code! We receive hundreds of calls daily and simply cannot make the code determination for you. The Census Bureau is the authority in these matters!

How do I find my SIC Code, or, I have my SIC Code, how do I find my NAICS Code?

We offer Cross-References – both SIC to NAICS and NAICS to SIC, on the NAICS and SIC Crosswalk Page which enables you to cross over from one coding system to the other. If you can find one code you can obtain the other.
