OFFER SYSTEMAZATION

THURSDAY - DAY 4

WHAT IS AN OFFER?

Offer – The opportunity you give a potential client to exercise their desire to buy (or otherwise obtain) the thing or things that you helped them realize they've desired all along, at the price that you previously decided on and they have subsequently agreed to; which they now expect to use to make their experience of life exponentially better!

WHAT IS A SYSTEM?

System – a set of things working together as part of a mechanism or an interconnecting network.

A set of principles or procedures according to which something is done; an organized framework or method.

Systems under which people work account for 90% of the failure, therefore the key to success in any endeavor is to perfect the system.

W. Edwards Deming

WHAT IS MASTERY?

MASTERY - Mastery is the ability to execute effortlessly without the use of conscious resources. The purpose of this challenge is to get you on the road to developing mastery in your business.

CONTINUITY SYSTEMS

- Newsletters- A newsletter is a printed or electronic report containing news concerning the activities of a business or an organization that is sent to its members or customers.

- SAAS - Software As A Service is a way of delivering applications over the Internet—as a service. Instead of installing and maintaining software, you simply access it via the Internet, freeing yourself from complex software and hardware management.

- Membership Site - A membership site is a private, password-protected website that offers exclusive content and training (and sometimes the ability for members to interact with one another). These members pay you either a one-time or a recurring monthly fee for access to the site.

HOW TO SELL CONTINUITY
