Subject: **Solicitation No. 70Z0G118SPFA02700**
USCG Academy, 15 Mohegan Avenue, New London, CT
Abate Lead and Asbestos – Quarters 3

Dear Ms. Overton,

Tavares LLC is pleased to submit this Statement of Capabilities to demonstrate our ability to perform on the above referenced project. Tavares LLC is a RI/CT union company and is 8(a) and Small Business Certified NAICS 236220 and capable of performing work under NAICS 562910. We are capable of providing a $10 Million bond.

Tavares LLC has completed over 200 union projects in our 10-year history – many of these projects have been in the Rhode Island/Connecticut area. This particular project is located only 50 minutes from our office. All our projects have been completed on time and within budget. Our job safety record is tremendous and our Experience Modification Rate (EMR) is .69, which is amongst the best in the industry.

Tavares LLC understands the market and our project team has many years of construction experience. Attached are resumes of our Project Team. Our Project Team will be managed by Fernando Tavares, Sole Owner/President of Tavares LLC. Fernando has managed a $50 Million federal project as the Construction Executive with his previous employer. Please acknowledge our Project Manager, Brian Labonte, has many years of construction experience. Brian Labonte has worked many years in the Connecticut area and is also a Connecticut resident. Some of our team members have worked on asbestos projects exceeding $5 Million. Tavares LLC understands building protocol, and we understand that we must perform our work without disturbing building operations.

Tavares LLC is capable of self-performing carpentry, demolition, asbestos abatement, dust/noise protection, painting, and project supervision. We have been a general contractor on many renovation projects of which Phase 1 has always been removal of asbestos. Our clients include, but are not limited to:

Providence Public Schools
DCAMM
Lowell Justice Center
Four Seasons Hotel
CambridgeSide Galleria Mall

Harvard University
Northeastern University
Massachusetts Port Authority
William Hinton Lab
Essex County Sheriff's Dept.

TAVARES, LLC

GENERAL CONTRACTOR/CONSTRUCTION MANAGEMENT

A Full Service, Start to Finish Construction Company

Tavares LLC is a small minority owned general contractor headquartered at 124 Webster Avenue, Providence, Rhode Island 02909. Tavares LLC has the capability of performing the following scopes of work throughout New England:

- General Contractor/CM
- Demolition
- Asbestos Abatement
- Doors/Frames/Hardware
- Drywall
- Painting
- Division 10 Specialties
- Capital Planning & Forecasting
- Estimating & Budgeting
- Value Engineering
- Scheduling/Time Management
- Project Management

Delano "Joe" Brooks

WORK EXPERIENCE

Essex Newbury North Contracting Corp, Newburyport, MA (January 1, 2001 – Present)

Mr. Brooks is the President of Essex Newbury North Contracting Corp., a Minority Business Enterprise (MBE) certified in the States of Massachusetts and Rhode Island. Joe is responsible for the daily operations of the company, long-range planning and business development. Joe concentrates his efforts with the firm's public and private sector clients located in the New England region of the country. In addition to these duties, Joe also oversees all the firm's accounting and has been responsible for developing our job costing, budgeting, forecasting and project accounting procedures. Annual Sales: $30 Million+

Essex Newbury Contracting Services Corp. (1994 – December 31, 2000)

Mr. Brooks was the President of Essex Newbury Contracting Services Corp., which merged with Northeast Remedial Management Services, Inc. on January 1, 2001 and became Essex Newbury North Contracting Corp.

Gilbane Building Company (1987-1994)

Mr. Brooks was responsible for coordinating Gilbane's EEO/MBE/WBE program nationally. Prior to being appointed to this position, Joe was Regional Affirmative Action Manager for Gilbane's New England Region, a position in which he coordinated the Region's EEO/MBE/WBE program and was credited with developing several innovative reporting and outreach programs. Joe joined Gilbane in 1982 as a field accountant trainee and held various accounting positions, both in the field and in the New England Regional Office before moving into the Affirmative Action positions. Mr. Brooks was responsible for project accounting, forecasting, budgeting, coordinating small business programs with minority contractors, government compliance, and contract administration.

Gilbane Building Company (1982-1986)

Mr. Brooks was responsible for field accounting and cost reporting.

Newport Drywall (1988 - 1994) / President and Owner

Rallston Drywall (1986 – 1987) / Controller

WORK HISTORY

Essex Newbury Contracting Services Corp. was established in 1994 for the purposes of performing general construction, construction management, environmental remediation and construction consulting. Delano Joseph Brooks, president and founder of Essex Newbury Contracting Services Corp., was employed at Gilbane Building Company for over thirteen years. Throughout the years, Mr. Brooks assumed numerous responsibilities, such as field accounting, field engineering, purchasing, accounting supervisor, and business development.

As Mr. Brooks became experienced with how Gilbane operated, he was asked to serve as their National Affirmative Action Officer. His duties included hands-on development (accounting, purchasing, engineering, business development) of women and minority firms.
